To Dr Nataliya FINIUK

Institute of cell Biology, National Academy of Sciences of Ukraine, Lviv, Ukraine

Dear Dr FINIUK,

This is to confirm our invitation to visit the Cancer Neuroscience Laboratory at the University of Newcastle Australia from 03/03/2024 to 15/05/2024.

As agreed, during this period you will be supported by the Ukraine-Australia Research Fund of the Australian National Academy of Sciences. Your travel, accommodation and living expenses will be covered by this fund.

During your stay with us, you will be working on the development of more effective drugs for the treatment of glioblastoma. You will also participate in various research seminars and you will make a presentation of your research projects.

We hope that your visit will foster more collaborative projects between our Institution and the Institute of Cell Biology, National Academy of Sciences of Ukraine, Lviv.

I look forward to your visit.

With best regards

Dear Dr Finiuk,

Re. Letter of invitation – Ukraine-Australia Research Fund

On behalf of the Australian Academy of Science I am delighted to invite you to Australia to participate in a short-term visit as part of the Ukraine-Australia Research Fund, hosted by Prof Hubert Hondermarck from The University of Newcastle for a period of 12 weeks.

Your international airfare, accommodation, and visa and medical insurance are covered by a grant-in-aid provided by the Academy to The University of Newcastle. To assist with the cost of your local transportation, meals, and incidentals, you will receive a daily per diem paid to you by your host institution.

The Australian Academy of Science is pleased to support you to advance your research and to foster long-term collaborations with your Australian colleagues.

Please contact grants@science.org.au if you require any further information or support.

We wish you all the best during your short-term visit to Australia and look forward to your visit.

Yours sincerely,
